

The **ASHVINS Group** presents at an event associated with the *Mobile Technologies Forum*, Washington D.C. on March 29<sup>th</sup> 2012.

#### **PRESS RELEASE**

Mobile Applications Testing  
**The ASHVINS Group**, Inc.  
Technology Professionals  
<http://www.ashvinsgroup.com>

MIAMI FL. USA – March 29<sup>th</sup>, 2012. The **ASHVINS Group**, Inc., an Information Technology firm focused in project based consulting and staff augmentation, presented at a consortium associated with the Mobile Technologies Forum, Washington, D.C.

The session targeted “Mobile Applications Testing: Methods, Approach, Strategy and Considerations”. Quality and performance testing of mobile applications is an important topic for developers, especially in area of verification and validation required for healthcare related applications. This presentation highlights the unique challenges with testing mobile applications (device compatibility, OS compatibility, UI compatibility, browser compatibility, network, etc.) and summarizes the methods/approaches to support a comprehensive test strategy.

#### **ABOUT ASHVINS GROUP**

The **ASHVINS Group** serves both federal and commercial marketplaces by providing a variety of technology services including: staff augmentation, project management, requirements analysis, specification development, process/systems evaluation, systems design, implementation and integration, application development and verification/validation. Our projects range from technology consultation to Full Life Cycle Application Development. ASHVINS Technology Professionals’ support also includes data collection interfaces, data analysis, database development, process automation and computer related systems validation. In addition, the company is skilled in software development, validation and compliance processes for FDA regulated environments (and HIPAA compliant applications).

Areas of ASHVINS’ technical expertise include web based systems, Windows operating environments, mobile platforms and wireless technologies. The ASHVINS Group is a Certified Woman Owned Small Business with a GSA Schedule 70 to support government contracts. Visit our web site at [www.ashvinsgroup.com](http://www.ashvinsgroup.com) for a summary of typical projects.
