
The **ASHVINS Group** expands US presence with Affiliate Offices in multiple states, June 2011.

PRESS RELEASE

Office Expansion Supports US Based Clients

The ASHVINS Group, Inc.

Technology Professionals

<http://www.ashvinsgroup.com>

MIAMI FL, USA – June 28th, 2011. The **ASHVINS Group, Inc.**, an Information Technology firm focused in project based consulting and staff augmentation, announces the expansion of facilities to include Affiliate Offices in the following cities:

Irvine, CA	877-241-4124
San Jose, CA	866-656-0539
Tampa, FL	877-349-7117
Atlanta, GA	800-841-0927
Chicago, IL	800-323-4987
Philadelphia, PA	877-239-2877

A strategic alliance formed by The ASHVINS Group and Johnson Service Group (JSG) allows ASHVINS Group to expand their offices to better serve and support US based clients. Working with their partner, JSG, ASHVINS Group offers deliverable based project services and staff augmentation to help clients manage complex information technology challenges. "We've expanded our business offerings to include services, such as staff augmentation, that are very much in demand. These new service areas have been highly successful resulting in new hires. With a local presence in targeted cities, we're poised for significant continued growth," noted Lynn Hilt, President and CEO of ASHVINS Group.

ABOUT ASHVINS GROUP

The **ASHVINS Group** serves both federal and commercial marketplaces by providing a variety of technology services including: staff augmentation, project management, requirements analysis, specification development, process/systems evaluation, systems design, implementation and integration, application development and verification/validation. Our projects range from technology consultation to Full Life Cycle Application Development. ASHVINS Technology Professionals' support also includes data collection interfaces, data analysis, database development, process automation and computer related systems validation. In addition, the company is skilled in software development, validation and compliance processes for FDA regulated environments (and HIPAA compliant applications).

Areas of ASHVINS' technical expertise include web based systems, Windows operating environments, mobile platforms and wireless technologies. The ASHVINS Group is a Certified Woman Owned Small Business with a GSA Schedule 70 to support government contracts. Visit our web site at www.ashvinsgroup.com for a summary of typical projects.
