PRESS RELEASE

Miami-Dade County FL Certifies ASHVINS as MICRO/SBE and WBENC Certifies ASHVINS as WBE

The ASHVINS Group, Inc.

Technology Professionals

<http://www.ashvinsgroup.com>

MIAMI FL, USA – August 28th, 2012. The **ASHVINS Group, Inc.**, an Information Technology firm focused in project based consulting and staff augmentation, was recently certified by Miami-Dade County, FL as a Micro/Small Business Enterprise (MICRO/SBE) and also certified by the Women's Business Enterprise Nation Council as a Women's Business Enterprise (WBE).

The Miami-Dade County MICRO/SBE Certification was awarded on July 18, 2012 and remains valid through July 31, 2014. The Women's Business Enterprise Nation Council WBE Certification was awarded on August 23, 2012 and remains valid through August 23, 2013.

Certification is a review process that ensures a small business is actually owned, controlled, and operated by the applicants. The certification process is administered by a certifying agency, generally a government agency or a private organization. The certification process takes time. The application requirements are very stringent and must be met completely.

Small business certifications and women owned certifications are professional certifications with rigorous criteria and inspections that document a special capability or status that will assist The ASHVINS Group to successfully compete for government and commercial contracts.

ABOUT ASHVINS GROUP

The **ASHVINS Group** serves both federal and commercial marketplaces by providing a variety of technology services including: staff augmentation, project management, requirements analysis, specification development, process/systems evaluation, systems design, implementation and integration, application development and verification/validation. Our projects range from technology consultation to Full Life Cycle Application Development. ASHVINS Technology Professionals' support also includes data collection interfaces, data analysis, database development, process automation and computer related systems validation. In addition, the company is skilled in software development, validation and compliance processes for FDA regulated environments (and HIPAA compliant applications).

Areas of ASHVINS' technical expertise include web based systems, Windows operating environments, mobile platforms and wireless technologies. The ASHVINS Group is a Certified Woman Owned Small Business. Visit our web site at www.ashvinsgroup.com for a summary of typical projects.
