

The **ASHVINS Group** has been selected for the South Florida Business Journal listing of "Largest IT Consulting Firms".

## **PRESS RELEASE**

South Florida Business Journal: "Largest IT Consulting Firms" Listing

**The ASHVINS Group, Inc.**

Technology Professionals

<http://www.ashvinsgroup.com>

MIAMI FL. USA – June 26<sup>th</sup>, 2009. The South Florida Business Journal (SFBJ) annually honors the achievement of local IT consulting firms. The **ASHVINS Group** has been selected for the 2009 South Florida Award in the IT Consultants category ranking #16 on a list of the top firms.

The SFBJ "Largest IT Consulting Firms" Award Program recognizes outstanding local businesses. Each year, the SFBJ identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community.

Various sources of information were gathered and analyzed to rank the list in each category. The 2009 SFBJ list members are determined based on information gathered both internally by the SFBJ and data provided by third parties.

## **ABOUT ASHVINS GROUP**

The **ASHVINS Group** has been in business since 2000 and serves both federal and commercial marketplaces by providing a variety of technology services including: project management, requirements analysis, specification development, process/systems evaluation, implementation/integration, application development and verification/validation. Our projects range from simple technology consultation to Full Life Cycle Application Development. **ASHVINS** Technology Professionals' support also includes data collection interfaces, data analysis, database development, process automation and computer related systems validation. In addition, the company is skilled in software development, validation and compliance processes for FDA regulated environments (and HIPAA compliant applications).

The **ASHVINS Group** offers clients a synergistic approach to Project Management that combines experience in healthcare industries with IT development expertise. Areas of technical expertise include web based systems, Windows operating environments and wireless technologies. The **ASHVINS Group** is a Certified Woman Owned Small Business and we have a GSA Schedule 70 to support government contracts. Visit our web site at [www.ashvinsgroup.com](http://www.ashvinsgroup.com) for a summary of typical projects.
