

The **ASHVINS Group** has been awarded the "Information Technology Staffing Services State Term Contract" by the State of North Carolina.

PRESS RELEASE

State of North Carolina Awards **ASHVINS Group** IT Staffing Services Contract
The ASHVINS Group, Inc.
Technology Professionals
<http://www.ashvinsgroup.com>

MIAMI FL. USA – November 4, 2010. The **ASHVINS Group** has been awarded the "Information and Technology Staffing Services State Term Contract" by the State of North Carolina, Office of Information Technology Services, Statewide IT Procurement Office. For the qualifying firms selected by the State of North Carolina, this IT Staffing Services Contract is effective November 1, 2010 through June 30, 2011, with the state reserving an option to renew for two additional years. State Affiliated Agencies and Other Eligible Users (OEU) will use Prime Contractors awarded in this IT Staffing Services Contract when staff augmentation services are needed on a contingent assignment basis. The State of North Carolina scores and selects firms for this highly competitive contract based on financial stability, technical expertise, references and pricing.

ABOUT ASHVINS GROUP

The **ASHVINS Group** has been in business since 2000 and serves both federal and commercial marketplaces by providing a variety of technology services including: staff augmentation, project management, requirements analysis, specification development, process/systems evaluation, systems design, implementation and integration, application development and verification/validation. Our projects range from technology consultation to Full Life Cycle Application Development. **ASHVINS** Technology Professionals' support also includes data collection interfaces, data analysis, database development, process automation and computer related systems validation. In addition, the company is skilled in software development, validation and compliance processes for FDA regulated environments (and HIPAA compliant applications).

Areas of **ASHVINS'** technical expertise include web based systems, Windows operating environments, mobile platforms and wireless technologies. The **ASHVINS Group** is a Certified Woman Owned Small Business with a GSA Schedule 70 to support government contracts. Visit our web site at www.ashvinsgroup.com for a summary of typical projects.
